

East Los Angeles College
Associated Student Union
Constitution

D F 9 5 A 6 @ 9 ' .

We the Associated Student Union of Los Angeles College hereby present an accurate delineation of the ASU Board qualifications and divisions of power. This organization does not desire to portray merely a strict image of governance; furthermore, its main concern focuses on being a source of encouragement and responsibility that will promote and increase the intellectual, physical, social, and cultural growth of this college. In order to provide an expanded educational and social service program for all students we hereby establish this ASU Constitution and its Bylaws according to the standards and regulations of the State of California and the Terms of the Los Angeles Community College District.
