

# Certificate of Achievement Application Procedure

1. Check the college catalog to ensure you have taken all the necessary courses. Your calculated GPA will be in the computer as soon as instructors have turned in their grade sheet to Admissions.
2. Indicate the certificate you are applying for. Requests with incorrect titles shall be returned.
3. If you have taken courses for your certificate at another institution outside the Los Angeles Community College District, you must have official copies on file with the Admissions and Records Office. Hand delivered transcripts are not accepted.
4. Some certificates require that you have "experience". Please check the course catalog and with your Department Chair for the definition of "experience" that is related to your certificate. You must include a letter from the business, agency or school that states the hours of your employment, volunteer work, or internship contributions.
5. When you have obtained and attached all the necessary items, please submit them to Admissions and Records Office (E1-105). The Admissions and Records Office will forward your request and documents to the Department Chairs for review.
6. The **Office of Workforce Education** will issue the approved certificate, have it signed and mailed to you. You will be notified if your request has been denied. This process takes approximately 6-8 weeks.
