The Sexual Assault Awareness Violence Education Team (SAAVE), is a group of faculty, staff, administrators, students, and community professionals who are dedicated to violence prevention and intervention.

Through raising awareness, providing resources, and educating people about the different forms that violence can take, we help the ELAC campus community to never have to live in fear.

ELAC encourages people with disabilities to participate in its programs and activities. For accommodation requests, please contact Professor Eileen Ie (IEEF@elac.edu) at least 2 business days prior to the event.

These events are open to all students, faculty, staff, and the community, so please invite your family & friends!

For more information contact: Eileen Ie (IEEF@elac.edu) or Andrea Owens (owensas@elac.edu)

Instructors: If you are planning to bring a large group or class to any of the events, please RSVP ahead, so that we can make the proper accommodations.

We have caring representatives available for support and information.

A safe space where men can come together to process life issues, sexual trauma, child trauma and help them discover tools for stress relief and self-healing. The circle opens the door to their inner wisdom and truth, which will help ease inner wounds, and invite success in relationships, career and personal life.

For Information contact: Luis Mendoza, East Los Angeles Women's Center (lmendoza@elawc.org)

Light a candle with us to honor survivors and remember those who have lost their lives to domestic violence. Join us in person on October 27, 2022 at 6:00pm at the ELAC Performing Arts Courtyard for our 25th Annual Mujeres De Paz Candlelight Vigil. Everyone is invited.
