Suzette

- a. President Martinez and
- ii. Improvement recommendations must be addressed to the College's response but does not need to be fully evidenced.
- a. Communication Action Plan
 - i. Values Statement is currently pending Senate approval of Strategic Plan.
 - ii. The faculty/administration summit from spring 2018 should include staff and students (and not just leadership) as well as aspects such as team building exercises to address ISE recommendations at ESGC.
 - iii. Revisit circulating an updated campus climate survey, at least two years ago.
 - iv. Some areas to address in recognizing achievement/incentives awards through Title V have been announced before; some have been utilized as repositories for student success stories but not in management; PD Office has considered a recognition system for staff/faculty achievement; some departments have also considered recognition and AUPs can also be a source to identify important documents can be difficult with the friendliness should be addressed. The College is currently
