} own in the past year, including the addition of

well as addressing changes around AB 705. In the future, the goal is to increase staffing to address the new funding formulas based on student success.

- ii. Links to reports/documents for evidence will be available in an electronic version for the midterm report.
- iii. The OFE should mention needs around developing a more functional student tracking system (i.e., including the process of onboarding, the evaluation of students, etc.) and potential challenges in capacity (such as technology)

- iv. The absence of a Campus Engagement Specialist has been addressed with more CGC aides (graduate students in counseling programs), more engagement and coordination with Counseling to ensure activities are successful, and the organization of Transfer Student conference.
- v.
